## **NOTES**

\*Rates are representative of a full academic year, in which 10 payments of the listed amount occur. For students starting later in the year, payment amount and number are adjusted as appropriate. As graded music examinations and competitions are not universally appropriate, these fees are not included. Such optional events are invoiced separately as applicable.

\*\*PP30 memberships include a weekly 30 minute lesson and are available from beginner to grade 2. Grade 3+ requires a membership that includes a weekly lesson time of 45 or 60 mins (PP45 or PP60 as appropriate) to ensure all necessary aspects of technique and theory can be covered.

\*\*\*Consultation lessons are 40 minutes approx. We work at the piano for about 30 minutes, and then have a good chat to discuss musical goals and my teaching approach. This offers the opportunity to assess whether we are a good fit to work together. A comprehensive consultation report will be provided. Please note that an offer of a place is not guaranteed.

\*\*\*\*Zone 1 fees apply in the region outlined on the map including Swords, Malahide, Portmarnock. Zone 2 applies outside of this area but within a 15km radius of Dublin Airport, Co. Dublin. Lessons at locations beyond this outer radius incur a supplement of €15 per hour travelled, or part thereof. Travel times are reckoned from Swords Main Street. See map overleaf.
